

2026 MEPSA CHAMPIONSHIP SHOW (June 20, 2026) BUY-INS

MEPSA is excited to offer buy-ins for the 2026 Championship Show for the first time. This gives entrants the opportunity to show a model they may not have been able to send to a regular qualifier show or a speciality show during this show year. If you have any buy-ins, list them on this form with their division and return it with your entry form.

Buy-ins are limited to 20 models per entrant, with no more than 5 models per division, at \$1 per model.

Please don't hesitate to let me know if you have any questions.
