QUARTERLY NEWSLETTER

EDITOR: Elizabeth Jones
DISTRIBUTION: Marie Phillips

<http://mepsa1.tripod.com>

MEPSA is an educational group for model horse enthusiasts, promoting the hobby of model horse mail-in photo showing.

The purpose of this newsletter is to provide information to showers who do not have internet access. It is mailed free of charge (courtesy of Marie Phillips). The newsletter is also available by email and on the website as a secondary source of information and updates for all members.

NEWS

In Short (From the Editor) –

I want to thank Stephanie Michel and Carolyn Bailey for putting together this month's newsletter. My husband has been in critical condition for the last month and I am splitting my time between visiting him and trying to convert space on the first floor of our home for a hospital bed, etc. He has stage IV cancer with complications. I have not been able to keep up with hobby-related activities at all. I'm sorry to say, that Laurel Dedes will not be able to continue to serve as our Donations Coordinator. We wish her the very best. I had hoped to add a mini tack and prop contest to provide prizes for the mini division of the champ show, but that will not be happening. But please, don't let that stop you from donating a prize for the mini performance division! Send your donation to Elena. It is also time to consider whether you might join our wonderful team of ladies that make MEPSA possible. We need you! **Lastly, this is MEPSA's 20th anniversary! We have a wonderful surprise! Our resident artist Carissa Kirksey has created a celebratory model in resin: *Platinum Daylily*, a performance friendly, large stablemate scale sport mare! See details below for ordering your unfinished resin.**

Contest News These contests provide a fun way for MEPSA to raise funds and provide prizes for our annual Championship show. Everyone loves to get great prizes in their champ show box!

Feb 15th- Draft mare Makeover Challenge was won by Julie Brooks with this stunning roan sabino cantering gelding! Many of the amazing models submitted for this contest were sold to raise funds for MEPSA. The remaining models will be used as prizes in the MEPSA Championship show!

Julie wins the unfinished Kilimanjaro Traditional size unicorn resin! See him here (right & Wow!!!):

There was a 2nd winner, Shandi Bech with her dove grulla gelding! She chose a California Chrome for her NIB Breyer winner's choice.

Congratulations to both our winners and thank you to everyone who entered!!

More great prizes are available – for more contests!

Breed Directory update!

If you encounter a breed that is not on the list, please contact Carolyn Bailey or another Board member. This update concerns the Spanish Barb. It belongs in class 25.

>The agile desert bred African Barb horse was crossed with existing Spanish stock to form the Spanish Barb horse.

>By the year 1492, the Spanish had regained possession of their country and began their own invasion forces, the Conquistadors. By royal edict, Spanish Barb horses were transported to the New World. Then breeding farms were established. Upon the backs of these horses, Spain determined to widen the scope of their power and wealth.

Photo Manipulation/Photoshopping

Just a reminder, MEPSA does not allow ANY photo manipulation/photoshopping except minor standard adjustments. Photos suspected of any manipulation will be pulled from competition at the judge's discretion.

"Manipulation" as set forth by the MEPSA Board of Directors includes, but is not limited to:

- *Digitally or otherwise adding backgrounds, props, riders, tack, etc.
- *Digitally or otherwise fixing/touching-up backgrounds, props, riders, tack, etc.
- *Altering the appearance of the horse in any manner

Minor standard adjustments will be allowed, such as

- *color balance
- *brightness
- *cropping, etc.

If you show your photos in a club that allows photo manipulation please be careful to not use your altered photos for MEPSA shows since it will mean the disqualification of those photos.

Shipping rates

Postage for a priority flat rate envelope is \$6.70 (legal size is \$7.00).

Judges – Important reminder –

There are several "other performance" classes which allow multiple entries. It is important/critical/required that the judge states what the performance is along with the horse's name in the results, *even if* only one photo of the horse is entered. This is so the tabulators can record what **horse AND performance** are qualified, as the same horse could qualify several times with different performance entries in the "other performance" classes. In addition, for class 119, scene, the name of the scene must be recorded in the results. **Showers: *make sure you give your scene a unique name.***

BOD news

The MEPSA Board of Directors is now accepting nominations for **Champ Show judges**. We prefer outside judges (who do not show in MEPSA, or have not in the last season), but we will also accept MEPSA showers who may judge a division they have not judged this season (e.g. showers who show only Div A could judge Division B, C or D). Halter judges should be well versed in breed requirements, and performance judges should be expert in some areas of performance and proficient in all. Champ show judges receive their choice of a free book or \$25. Do you know someone who might be interested?

BOARD OF DIRECTORS ELECTIONS IN JULY

Many members of our board of directors have a lengthy service record, some having served for over ten years! Things change, and people have other obligations – turnover is inevitable. This means we need to have new people step up. Last year, two board members stepped down, and we were joined by a new Vice President, Stephanie Michel and a new Judge Coordinator, Alyssa Bailey. We will have a select few board positions available again this year. This year we are looking for a new Donations Coordinator, Championship Show Book Designer/Coordinator and Website Coordinator. Think about giving it a try! If you are interested, please fill out the following application and submit it to Carissa Kirksey at sprucewoodfarmsstudio@gmail.com. Board members receive a free champ show book in recognition of their service. Elections will be held in July.

MEPSA Special Run mini Artist Resin - Platinum Daylily!

To celebrate MEPSA's 20th anniversary, we will have a special mini Artist Resin available for MEPSA members. Created by our own, Carissa Kirksey, Daylily is a performance friendly sport horse mare that will be available for pre-order soon. Here is a WIP sneak peek!

Keep an eye out for a special announcement for her ordering information.

2018 MEPSA Championship show

Who can enter?

Each model horse must qualify to enter the championship in a MEPSA qualifying show of the current show season (Aug 2017 – May 2018). There are two show series: Novice and Open. Novice qualifying shows are held once a month, alternating between halter and performance. In the Open series, three to five Qualifying shows are held each month from August through May. Note that some shows are only for original finish (OF) and some are only for custom or artist resin models. Specialty shows are also offered. All instructions are on the website and there is an optional entry form to make things easy for you and the judge.

When your model places first through third in a qualifier halter class (Division A, B, C, D or the novice division), you qualify for **all** the halter classes that model is eligible for. That is: gender, breed, color, and collectability/workmanship in the Open series and breed and gender in the novice division. However, if you qualify a model in a performance class (Division E, F or Novice), this qualifies you only to enter THAT performance class in the championship show. If your model showed in a class with *100 or more entries*, and you placed sixth or better, your model qualifies to compete in the championship. If the class was split and the split had less than 100 entries, then only first through third qualify. If the split had more than 100 entries, 1st – 6th qualify.

Our wonderful tabulator team has been keeping a record of qualified horses throughout the season and their records will be available on the website. Simply visit the “show dates and judges” page and you will find links at the top of the page. Thanks to Kay Myers, Betty Hook, Charlotte Martin, Alyssa Bailey and Marie Phillips for keeping track of qualifiers and Jennifer Cole for being the Tab Team Leader.

Good News for mini showers

Once again, we will be including a special “extra” division just for minis, thanks to the generosity of MEPSA donors and contest entrants! “Mini” includes both stablemate/chip sized models and Pebble/Paddock Pal sized models. We offered several mini specials this year to help you qualify, however, if your mini qualified in *any* qualifier, you may choose to enter the mini show. As in previous champ shows you have a choice whether to show your mini in its regular division (competing with large scale models) or in the special division for minis only. **You may not do both!** In the mini division, A and B (OF Plastic and OF China/factory resin) compete together in Champ show division G, and C and D (artist resins and customs) are combined into division H. The performance class list is abbreviated and both mini performance divisions (E and F) compete together in division I. If I have managed to confuse you, see the entry form in this newsletter for more information.

FAQ (Frequently asked questions)

- *If I qualified more than one photo of a horse, can I enter both?* No. You may only enter one photo per horse in halter divisions and only one photo per class in performance, except where multiple photos are specified. I.e. If you qualified multiple kinds of performance in “other performance” classes (limited to three per horse in a qualifying show), you may enter *all* of them in the championship show (not limited to three), but each must represent a different event.
- *Do I have to enter the actual photo that qualified?* No. The *horse* qualified, not the *photo*. Send the best photo you have – or take a new one.

- *Do I need to relabel my photos for the champ show?* Only in the mini division. Add the special division designations and change the performance class numbers as shown on the champ entry form.
- *Can I use my judge's certificate for free entry?* No, special entry fees apply. See the champ show entry form.
- *When will I get my photos back after the show?* The show takes all summer. You will not have your photos back in time for the first shows of next season. Your entry first goes to the champ show coordinator, where your entry qualifications will be verified. The coordinator will then sort all the photos, sending each division to a different judge. Judges may take up to a month to judge, type results, and return photos to the coordinator (hopefully less). Results and photos of the champs go to the champ book coordinator, who compiles them into the book, the last step prior to sending it to the printer. Meanwhile photos go back to the champ show coordinator, who starts organizing return shipments with prizes and awards. Once the shipment of results books arrives, the champ show coordinator can seal the boxes and start shipping them out. If all goes well, your champ show box should arrive on your doorstep sometime in August.
- *Can I pay for the championship using PayPal?* You may PayPal your entry fee directly to MEPSA. However, you are responsible for paying any PayPal or credit card fees associated with this type of payment.
- *Should I include a SASE?* No. We will be sending a package with your photos and prizes. We do ask you to include \$10 as your share of the return shipping cost. Your entry fee is broken down into three parts: \$2 per 50 photos to cover shipping photos to and from judges, \$10 toward your return postage, and \$15 toward the cost of the champ show book. MEPSA is subsidizing the actual champ show costs thanks to donors and participants in various fundraising events.

PLEASE be sure to check your class numbers as judges continue to report errors. You may miss your class in the championship show if your photos are not numbered correctly. Remember any class where there is a letter designation, must be marked "a", "b", or "c", in order to be entered into the correct class.

Champ show prizes

Elena Lemm, our Champ Show Coordinator, has ordered ribbons and rosettes (what color will they be???), and, thanks to our supporters, we are purchasing some new 2018 Breyer releases to award as prizes! We also have some Stones and older Breyers available as prizes. If you would like to contribute models for us to use as prizes, please send them to Elena.

Postage continues to go up. We will not be able to send out excessively heavy prizes, so please keep this in mind when you are donating. Some entrants would prefer performance related prizes – props, dolls, costumes, etc. These would make wonderful donations! Smaller items will be used for door prizes and other awards. Promote your business or your stable, both by offering prizes which represent your talents and by advertising in the champ show book. All donors receive space in the champ show book. MEPSA will even help design your ad if you like.

We encourage you to be specific about what prizes you want. If you specify a particular model, you may not get it, but we will try to fulfill as many dreams as possible. If you enjoy customizing, by all means specify that you would like bodies or a particular body. If you like Schleich, tell us! Remember: "Let us know; you never know!"

Once again we are fortunate to have Chelsea's Model Horses sponsoring the "Judge's Choice". Chelsea will be supplying a gift certificate to the judge's choice of each division.

Again this year – we will have a catalog of prizes on the website! Even if you don't want models for prizes, you might find something you like in the catalog! All items will be numbered, so you can specify on your entry form which items you covet! Keep checking back to the page for new items.

Where to send your MEPSA donations

If you would like to make a monetary donation, you may send a check directly to the Treasurer: Carolyn Bailey, 4N742 Honey Hill Cir., Wayne, IL 60184 or use Paypal (friends and family) address: mepsa3@att.net.

To donate items for the 2017-18 MEPSA championship season please send them to the Champ Show Coordinator: Elena Lemm, 37103 Robin George Trail, Magnolia, TX 77354

PLEASE DO NOT send catalogs or other heavy items. And apply the golden rule "Donate to others what you would like to see in your champ show box!"

Track your 2017-18 donations using the Donor record:

At the end of the season, did you have trouble remembering what you donated so that you knew what size ad you should get in the Championship book (well guess what so did the champ show coordinator!)? Don't let that happen again! Start keeping a list of your donations today! (and help out the coordinators!) Form available at <http://mepsa1.tripod.com/forms.html>. Record each donation and the value. You can also record judge's fees donated. Get credit for all you do for MEPSA! Value of contest entries should not be included as these have their own separate reward system. Submit your donation record at the end of the season (or with your championship entry). This will make record keeping easier for the BOD. All donors receive ad space in the Championship book. Donate \$100 – get a full page, \$50 gets you half a page and \$25 gets you a quarter page ad. Become a patron level sponsor by donating \$150 or more and get your champ show book (a \$35 value) for free!

New – submit your short model-horse-related announcement for publication in the quarterly newsletter

We often have a little extra room, and I will be happy to publish short announcements about your horse club or other news, as space allows. Also, I will happily accept short articles, and as you know, any articles submitted for the writing contest that do not make it into the Champ show book will probably be published here.
