QUARTERLY NEWSLETTER

EDITORS: Marie Phillips &
Toni Rakestraw
DISTRIBUTION: Marie Phillips

<https://mepsa.club/>

MEPSA is an educational group for model horse enthusiasts, promoting the hobby of model horse mail-in photo showing.

The purpose of this newsletter is to provide information to showers, and is available via email, print, and on the website as a source of information and updates for all members. The print version is mailed free of charge (courtesy of Marie Phillips).

In Short (From the Editors) –

Welcome to this issue of MEPSA Newsletter from your editors, Marie and Toni!

From Marie Phillips: I hope you find our Newsletter informative, where you can find changes that inevitably come along during the MEPSA show season, which runs from August through May, with the Championship Show in June.

The summer goes on, but I look forward to cooler weather. Yes, I love the snow and cold! My little black cat Orion turned 19 last month much to our delight. He's our grumpy old man and trundling along each day! The new season for MEPSA begins August 1st! We had no Origin tale or ASK APPY this issue, so I hope you all will consider submitting questions to APPY and origin stories, tales of how the model horse hobby snared you. We are accepting sales lists at one page for \$2.00.

A reminder-MINI Division – we use *Identify Your Breyers* system for determining stablemate Gs (G1, G2, G3 etc). There are a few changes to the class lists this season, with the major change being Custom-glazed models show in Div B now. Same class number. Please read carefully!

Well, enough yammerin' from me.

From Toni Rakestraw: It's so hot. Ugh. I agree with Marie, colder weather is better! We're already battling wildfires here in Oregon, so I hope the rains come sooner rather than later. I'm judging the first show of the season for BCD... make sure you get your entries in! From both of us — Enjoy the Newsletter!

We are approaching time for the Board of Directors election. (September 30th, 2026)

The Board has 2 positions that we are looking for volunteers to fill! We are looking for a Donations Coordinator, and a Judge Coordinator. Elections are in September; however, the board would be happy to appoint anyone interested in these positions to the board now to finish out this term.

We do hold a board meeting once a month to discuss relevant topics, issues, and possible changes, etc.

Here is a description of the positions:

Donations Coordinator- Organizes and runs the various contests, including advertising, selecting prizes, running polls and handling sales of contest entries. Seeks donations of cash, goods, or services, when needed. Sends thank you notes to Patron Donors. Keeps the Book Coordinator apprised of donation values for ad space in Championship Book.

Judge's Coordinator- Creates show schedule, recruits, communicates, and provides up to date information to judges. Keeps applications on file. Sends out Judge's Packet, keeps track of Judge's ratings and holds the Judge's Drawing at the end of the season for all qualifying judges. Please feel free to reach out with any questions, or if you're interested in joining the MEPSA Board of Directors.

We have a new Game / contest for the 2026-27 season! Cathy Hagen will be running the SURVIVOR Game!

HORSE SHOW SURVIVOR-HOW IT WORKS

The Goal of the Survivor Game is to Outshow, Outplace, and Outlast the other horses in the Game. Owners may select up to three horses each to enter in the Showring in Div A Halter. Horses earn points based on their placings, 10 points for 1st place, 9 points for second etc. However, to stay in the Showring, each horse entered must place in at least one of the four sections in the Show that month. That means each horse needs to have a placing in either Gender, Breed, Color, or Collectability each month. If a horse fails to place at all in any of those sections, then that horse is excused from the Showring. Standings are based on total points earned in those four sections. No Champion or Reserve Champion points count, only placings from 1st to 10th.

When a horse fails to place in any of the Gender, Breed, Color, or Collectability classes, the horse is excused from the Ring and out of the Game. It is possible for the current high point horse in standings to be excused if the horse does not place at all at the next show. So, for owners choosing the horses to enter needs to be based on not only how many points your horse typically may earn, but does it place consistently in the show season in all sections or at least one to stay in the showring. Showers **MUST** show (or judge) in **EACH** monthly MEPSA Div A show to stay in the game.

There is a "bye" clause for the Game. Meaning if your horses physically miss one show, you get a "bye" with no points. If your name is in the entrants' listing and your horse doesn't place, you are excused from the ring. But if you have a "life happens" month and miss a show you get a one time "bye" for the current show season.

If an Owner is judging the monthly show, all their horses entered in the Game are awarded 40 points. (10 Points each for Gender, Breed, Color, and Collectability) This encourages owners to judge shows, and insures their horses maintain their

place in the showring. Since no one knows which horse is in the Survivor Game, judges will just judge each show as they normally do.

The Horse Show Survivor Game will consider the August and September shows to be the practice ring to give everyone a feel for choosing their entries. The Survivor show season will run from the October 2026 to May 2027, MEPSA's upcoming new show season. This gives time for the word about the Game to get out and allows showers to choose their Survivor Entries after the first two MEPSA shows of the new show season. All tracking of points will be done by Cathy Hagen from the regular Div A OF show results. Entry fees – \$5.00 for 3 horses, which can be sent to MEPSA at **mepsa22@yahoo.com**, but you **MUST** use the Family or Friends option.

Award to be determined by the Board for the season, and there shall be an award for the winner to be announced after the Show Season is over in the Champ Book.

In order to enter, here is what each owner needs to do:

For now, this will only be for the MEPSA SHOW Div A Shows.

Choose (up to 3) OF horses from your Division A entries to enter the Survivor Game.

NOTE: This info needs to be sent to Cathy Hagen either by email or Private Message!

Basic Information needed:

Horses Name

Classes entered (List all four class numbers for each horse, one for Gender, Breed, Color, and Collectability)

Owner's name and initials for each horse.

Extra helpful info, but not needed:

Horse's Gender, Breed, Color

Jpg photo of each horse

Send this info to Cathy Hagen by email or PM. **DO NOT LIST IN COMMENTS ON FACEBOOK. ENTRANTS ARE TO BE KEPT SECRET FROM JUDGES AND OTHER SHOWERS!**

Cathy's email address: cathy_hagen@msn.com

After each monthly show, Cathy will update the Survivor standings and post updates on the MEPSA FB page. If you sent a photo of your horse, it will be posted if your horse was excused from the ring or is the winning Survivor at the end of the Show season, along with the other horses left in the ring. If you don't care to have your horses photo used on FB, don't send it. The monthly updates are tidbits of where the points are, how many are left, etc., but no names are revealed unless they are excused from the show ring.

Sound like something fun to try? Pull your results from the first two MEPSA shows this year or your favorite/best showers and pick your entrants.

Due date is October 1st, 2026 to get your entries to Cathy Hagen to enter the Survivor Game.

Here is an entry sheet to send to Cathy when you choose your contestants!

NOVICE SHOWS

The MEPSA Novice Photo Show Series provides newcomers with an opportunity to learn how to improve their photo show entries by using direct feedback. Entrants will be given individual private critiques on EVERY photo they enter, thus allowing them to see exactly what they can improve on. Photos will also be judged against one another (just like a regular photo show) and full results will be given to all entrants.

Some rules to remember:

Showers CANNOT enter Novice shows and OPEN shows at the same time. There is a maximum of 2 years allowed in Novice for showers over 16. Age 16 and under, no maximum. Graduating from Novice may occur prior to the maximum allowed time, if the majority of judges recommend moving up to Open. A shower may elect to stay in Novice for the maximum two years. It is recommended that a shower take advantage of the Novice shows and enter as many as possible during the two-year time limit.

The Novice Division is designed to help you improve your photography, but the judge can also help you with other details, such as breed assignment, labeling your photo back, etc.

Novice showers may move up to the Open division, which also includes all Specialty shows, at any time. However, if they choose to do this before season's end, they CANNOT enter any further Novice shows and must forfeit all qualifications in the Novice Division for that Season's Novice Division Championship show. Once moved to Open, they cannot show in the Novice Division. All photography must be done by the entrant,

no professional photography allowed. All Original Finish Plastic or China (OF), Custom (CM) and Artist Resin (AR) horses welcome.

FEES AND RULES: \$2.00 per show. PLEASE make check/MO out to the judge, not MEPSA!

Entrants may not enter more than 15 photos per show. All photos will be individually critiqued by the photo show judge and entrants will be given constructive criticism on how to improve their entries. Horses that place 1st, 2nd or 3rd in any halter class in this series are eligible for the MEPSA Novice Halter Championship division and, in Performance, any horse placing 1st, 2nd or 3rd are eligible for the Championship Novice Performance division in the class they place in only!! The show format runs alternately, 2 halter, one Performance. (Halter-Aug, Sept, Perf-Oct, Halter-Nov, Dec, Perf-Jan, etc.)

STANDARD PHOTO SIZES ONLY – Show photos should be of uniform size. 4×6 photos are preferred, but 4×5.25 and 3×5 are also allowed. Any other size may be disqualified by the judge.

Entrants may enter one photo per horse in Halter. Enter each horse's photo in one gender class and one breed class. Example: An Arabian Stallion photo would be entered in classes 1, 5, while a Clydesdale gelding would be entered in 3, 8. You do not need separate photos for both sections. Do not send additional photos of other views. Pick the best side, and use that photo.

In Performance, it is one photo per horse per class in classes 13, 14, 18, 19. The remainder may have multiple photos of the horse as long as they are of different disciplines, i.e. Roping and Cutting in Western Stock Class or Arabian and Native American in Costumes. Duplicate photos will be DQ'd.

Sample Photo Backs:

IMPORTANT: NEVER write or put sticky notes on the front of your photos!
All information must be on the BACK of your photos! Never on the Front!!

HOW TO ENTER:

The information needed on your photo back:

Horse's name, breed, gender, color and make/mold information should be printed or written in ink on a label. Do not write directly on photo backs as it will smear and often transfers to other photos in humid conditions. DON'T use a Sharpie or any marker type pen as they can bleed right through the photo.

Class or classes entered – In Halter, this will be two classes, one for gender and one for breed type. In Performance, this will be only one class, and it helps to explain what your horse is doing. (Use pencil on a blank label. Some use scotch tape, but I dislike it as the pencil fades over time and the tape itself can leave sticky spots. Pencil is used so you can erase and remark the class numbers).

Your full name, your street address, city, state, zip code, email address and your five-letter entrant ID code (1st two letters of 1st name and first three letters of last name-example: Marie Phillips-maphi). An address label is perfect and preferred for this information, but you may write it in pen on a blank label. Be sure it's readable! Bigger is better.)

Showers should put their photos in a ziplock bag to keep them clean, dry and together. It is not mandatory to do this, but it is good practice to keep your photos safe and should the envelope be damaged, they will get back to the shower.

WHAT TO SEND:

Don't forget your entry fee, and make sure your name and address is on EVERY photo back, be sure your classes are marked on every photo back, and that you have enclosed that very important SASE! What is an SASE? It's an envelope you have addressed to yourself, with that show's judge's address as the return, which is LARGE enough to fit all your photos, critiques, and results if needed, and is PRE-STAMPED with enough postage to mail home your entries, critique and results. You may request email results, but often the critiques are sent with the pix. This is very important, because otherwise, the judge cannot return your photos to you!

You need to put at least the same amount of stamps on the return envelope as it takes to send your package to the judge. A lot of veteran showers will put an extra stamp in their photo bag with their name written on the back of the stamp in ink (just in case). Some even use Priority mail both ways to make it easier for all involved.

Shows will run the third Saturday of every month.
