QUARTERLY NEWSLETTER

EDITORS: Marie Phillips &
Toni Rakestraw
DISTRIBUTION: Marie Phillips

<https://mepsa.club/>

MEPSA is an educational group for model horse enthusiasts, promoting the hobby of model horse mail-in photo showing.

The purpose of this newsletter is to provide information to showers, and is available via email, print, and on the website as a source of information and updates for all members. The print version is mailed free of charge (courtesy of Marie Phillips).

In Short (From the Editors) –

Welcome to this issue of MEPSA Newsletter from your editors, Marie and Toni!

From Marie Phillips: I hope you find our Newsletter informative, where you can find changes that inevitably come along during the MEPSA show season, which runs from August through May, with the Championship Show in June.

The Holidays are just past, and winter is here! January Nor'easter just dumped two feet of snow last week. This snowbird is happy. I am one of those weirdos who loves the cold. Been a few winters since we had a big storm. On the kitty front my Maine Coon, Darwin turns 11 on Feb 10th. I honestly wish time would slow down! Anyway, enough about me. We had no Origin tale or sales lists this issue, so I hope you all will consider submitting origin stories, tales of how the model horse hobby snared you. We are accepting sales lists at one page for \$2.00.

Important note on the MINI Division- we use *Identify Your Breyers* system for determining stablemate Gs (G1, G2, G3 etc). There are a few changes to the classlists this season, with the major change being Custom glazed models show in Div B now. Same class number. Please read carefully!

Well, enough yammerin' from me.

From Toni Rakestraw: Happy Winter! Here in Oregon we've had a pretty dry January after the massive rains the PNW received in December. I'm looking forward to judging in the Champ Show... hope you all get your qualified models entered! I know photographing your models can be challenging, so please take a look at our resources on the MEPSA website at mepsa.club. We want everyone to succeed and enjoy showing off their beautiful models!

From both of us — Enjoy the Newsletter!

DEAR APPY

Dear Appy,

I am rather confused regarding the scale of certain brands of model horse and have trouble deciding which division they belong, or what specialty show to enter them in. One of them is the horse pictured, who is a Breyer "Breeds of the World" resin. As a judge, I have seen them entered as minis in Division G, and also in Division B OF China/Resin (not by the same shower though). So are they minis or not? I'm also confused about the scale of Lakeshores; I entered three in the Classic Special...and one was disqualified as "too big" yet the other two both placed. Venti/Curio/Bijoux scales are also out there and add to the confusion. I wish there was an official MEPSA scale designation for each manufacturer, like we have the breed directory, so it would be easier to decide what division or specialty show to put them in so we could all be on the same page, so to speak.

- So confused

Dear So confused,

I have researched this particular model and the others in its group and the size of 5.75" L and 5" high IMO puts this model and ones in its groups into Mini size which is any model under 6" standing pose. This is how MEPSA categorizes size at present. Classic sized are 6" to 8" tall. Trads are 8" to 9" and up. That is going by the Breyer Identify site as far as size range goes. For example, the Rearing Stallion was once classified as a Trad but it clearly is too small for that. The height measurement would be at the head for standing models head up and then if the head is down, we have to compare to others in the category at wither height or the general size compared to a similar model in a different pose. Foals, of course, would be in said category in scale with the adults. You would not put a Classic foal in Mini.

Here is the info for this model and others in its category. No doubt it would show in the Mini category.

Breeds of the World

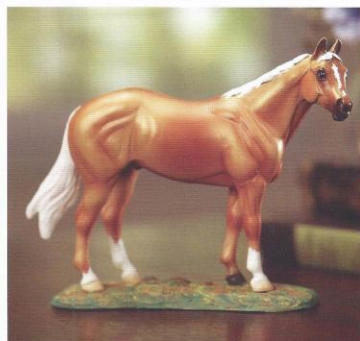

The horses in the Breeds of the World series are beautifully sculpted in the Breyer tradition, and represent some of the world's most popular breeds! Perfect for display and collecting, each horse is permanently mounted on a base, which has a descriptive back stamp. Fantastic gift items! Crafted of fine artist's resin. Each model in the Collection is packaged in a closed full-color gift box: 8.25"L x 3.25"W x 7"H. Product measures approximately 5.75"L x 5"H

Totilas – Dressage Champion

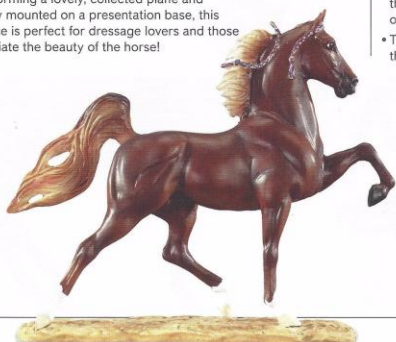

- The Dutch Warmblood stallion was the first horse ever to score above 90 in dressage competition
- His accolades include sweeping three gold medals at the 2010 World Equestrian Games, and two gold medals and one silver at the 2009 European Dressage Championship
- Shown performing a lovely, collected piaffe and permanently mounted on a presentation base, this elegant piece is perfect for dressage lovers and those who appreciate the beauty of the horse!

8250

Breeds of the World – American Quarter Horse

- The most popular breed in the United States, the Quarter Horse is named for its incredible sprinting ability that makes it the fastest horse in races of a quarter mile or less.
- This beautiful palomino is a great example of the horse that has earned the adoration of a nation!

8251

Breeds of the World – American Saddlebred

- Developed in the United States, the American Saddlebred is favored for its varied gaits that are performed with beautiful high-stepping action!
- These versatile horses are primarily used for saddle seat and driving competitions, but are also popular for trail riding, as their gaits provide a smooth ride.

APPY

Dear Appy,

What make class do cold cast porcelains show? I've seen them in classes 76 and 77!

Undecided

Dear Undecided;

American Artist and other cold cast porcelain should be shown in Class 77 factory resin.

Cold cast porcelain is resin mixed with powdered porcelain, stone, or other material. The castings are made by pouring the mixture into a mold. They are not fired in a kiln. The mixture is done so that the resin casting mimics the appearance of porcelain. Not to belittle cold cast pieces, but they use the word "porcelain" in the title to give it more prestige and implied value.

The class list will be updated, and hopefully the description of the class should include factory resin or cold-cast "porcelain."

But for now, I'd suggest showing cold cast "porcelains" in class 77.

MEPSA's 2025-26 **VERSATILITY CHALLENGE**

2026 sponsor Rhonda Chisholm

The Versatility Challenge is a way to showcase models that have a truly versatile career. Entries will win a NIB model. Three divisions are available, OF, CM and Mini. This year we are changing the method to choose the winners. Instead of voting in a poll, we will be using a point system similar to the one used for

the Robin Nere Performance Award. The RNPA is awarded to the performance shower with the most points. The Versatility points are awarded to the model.

The submission deadline is July 1st, 2026. All entries in the Challenge must meet the following minimum criteria:

- (1) Halter- At least one qualification in any halter class (Gender, Breed, Color or Collectability/Workmanship)
- (2) Performance – At least three Championships/Reserve Championships, under at least two different judges, in at least two divisions (Western, English, or Other).
- (3) Send the model's information to mepsa3@att.net . Please include a list of all the model's wins and a short description of the model, including the owner's full name.

We need both longer and shorter articles. 1000-3000 words is the length to shoot for.

Text should be formatted in Microsoft Word (.doc) or .rtf or .txt.

Name your text file using your last name (e.g. bailey.doc).

Do not embed images in your article. Send the illustrations for your article as separate .jpg files (no more than 2 MB each), named using your last name and the figure/illustration number (e.g. "baileyfig1.jpg"). Illustrations must be original or used by permission from the source. Provide a source for each illustration as they will be listed in the figure captions (e.g. photo by Corina Roberts). Illustrations are an essential part of almost any article.

You may include a short byline describing yourself/credentials/place in the hobby.

Email your files to mepsa22@yahoo.com.

Choose a subject related to model horses in which you are knowledgeable. Here are some examples that would be topics of interest:

Performance—the tack, rules, setting, etc. illustrated with photos of real horses/tack and/or model horses.

Customizing—how to ... (paint, resculpt, do hooves, braid a mane, etc.)

How to make tack—a halter, bridle, saddle, costume, harness ...

How to make props

Breeds (e.g. “Tiger Horse”, “exotics”)—with real horse illustrations. If you breed, keep, or train horses, speak from your experience and illustrate with your horses! What model horses best represent your breed? Why?

Photography—share your special tips on model horse photography with our readers!

Model horse manufacturers: a history of Hagen Renecker or Breyer or artist resins.

Fiction/poetry—We are willing to accept these submissions. Of course they should be horse related. We will not be printing more than one “creative work” in the Champ book. Others may appear in the club newsletter.

Other similar subjects of interest to model horse photo showers. To see an example MEPSA Championship book, go to Lulu.com, search for MEPSA, and look at a preview.

Thank you for your consideration! These articles help to make our Champ show book awesome. Please contact Jennifer Cole at mepsa22@yahoo.com if you are interested in participating!

NOVICE SHOWS

The MEPSA Novice Photo Show Series provides newcomers with an opportunity to learn how to improve their photo show entries by using direct feedback. Entrants will be given individual private critiques on EVERY photo they enter, thus allowing them to see exactly what they can improve on. Photos will also be judged against one another (just like a regular photo show) and full results will be given to all entrants.

Some rules to remember:

Showers CANNOT enter Novice shows and OPEN shows at the same time. There is a maximum of 2 years allowed in Novice for showers over 16. Age 16 and under, no maximum. Graduating from Novice may occur prior to the maximum allowed time, if the majority of judges recommend moving up to Open. A shower may elect to stay in Novice for the maximum two years. It is recommended that a shower take advantage of the Novice shows and enter as many as possible during the two year time limit.

The Novice Division is designed to help you improve your photography, but the judge can also help you with other details, such as breed assignment, labeling your photo back, etc.

Novice showers may move up to the Open division, which also includes all Specialty shows, at any time. However, if they choose to do this before season's end, they CANNOT enter any further Novice shows and must forfeit all qualifications in the Novice Division for that Season's Novice Division Championship show. Once moved to Open, they cannot show in the Novice Division. All photography must be done by the entrant, no professional photography allowed. All Original Finish Plastic or China (OF), Custom (CM) and Artist Resin (AR) horses welcome.

FEES AND RULES: \$2.00 per show. PLEASE make check/MO out to the judge, not MEPSA!

Entrants may not enter more than 15 photos per show. All photos will be individually critiqued by the photo

show judge and entrants will be given constructive criticism on how to improve their entries. Horses that place 1st, 2nd or 3rd in any halter class in this series are eligible for the MEPSA Novice Halter Championship division and, in Performance, any horse placing 1st, 2nd or 3rd are eligible for the Championship Novice Performance division in the class they place in only!! The show format runs alternately, 2 halter, one Performance. (Halter-Aug, Sept, Perf-Oct, Halter-Nov, Dec, Perf-Jan, etc.)

STANDARD PHOTO SIZES ONLY – Show photos should be of uniform size. 4×6 photos are preferred, but 4×5.25 and 3×5 are also allowed. Any other size may be disqualified by the judge.

Entrants may enter one photo per horse in Halter. Enter each horse's photo in one gender class and one breed class. Example: An Arabian Stallion photo would be entered in classes 1, 5, while a Clydesdale gelding would be entered in 3, 8. You do not need separate photos for both sections. Do not send additional photos of other views. Pick the best side, and use that photo.

In Performance, it is one photo per horse per class in classes 13, 14, 18, 19. The remainder may have multiple photos of the horse as long as they are of different disciplines, i.e. Roping and Cutting in Western Stock Class or Arabian and Native American in Costumes. Duplicate photos will be DQ'd.

Sample Photo Backs:

IMPORTANT: NEVER write or put sticky notes on the front of your photos!
All information must be on the BACK of your photos! Never on the Front!!

HOW TO ENTER:

The information needed on your photo back:

Horse's name, breed, gender, color and make/mold information should be printed or written in ink on a label. Do not write directly on photo backs as it will smear and often transfers to other photos in humid conditions. DON'T use a Sharpie or any marker type pen as they can bleed right through the photo.

Class or classes entered – In Halter, this will be two classes, one for gender and one for breed type. In Performance, this will be only one class, and it helps to explain what your horse is doing. (Use pencil on a blank label. Some use scotch tape, but I dislike it as the pencil fades over time and the tape itself can leave sticky spots. Pencil is used so you can erase and remark the class numbers).

Your full name, your street address, city, state, zip code, email address and your five letter entrant ID code (1st two letters of 1st name and first three letters of last name-example: Marie Phillips-maphi). An address label is perfect and preferred for this information, but you may write it in pen on a blank label. Be sure it's readable! Bigger is better.)

Showers should put their photos in a ziplock bag to keep them clean, dry and together. It is not mandatory to do this, but it is good practice to keep your photos safe and should the envelope be damaged, they will get back to the shower.

WHAT TO SEND:

Don't forget your entry fee, and make sure your name and address is on EVERY photo back, be sure your classes are marked on every photo back, and that you have enclosed that very important SASE! What is an SASE? It's an envelope you have addressed to yourself, with that show's judge's address as the return, which is LARGE enough to fit all your photos, critiques, and results if needed, and is PRE-STAMPED with enough postage to mail home your entries, critique and results. You may request email results, but often the critiques are sent with the pix. This is very important, because otherwise, the judge cannot return your photos to you!

You need to put at least the same amount of stamps on the return envelope as it takes to send your package to the judge. A lot of veteran showers will put an extra stamp in their photo bag with their name written on the back of the stamp in ink (just in case). Some even use Priority mail both ways to make it easier for all involved.

Shows will run the third Saturday of every month.
