QUARTERLY NEWSLETTER

EDITORS: Marie Phillips &
Toni Rakestraw
DISTRIBUTION: Marie Phillips

<https://mepsa.club/>

MEPSA is an educational group for model horse enthusiasts, promoting the hobby of model horse mail-in photo showing.

The purpose of this newsletter is to provide information to showers who do not have internet access. It is mailed free of charge (courtesy of Marie Phillips). The newsletter is also available by email and on the website as a secondary source of information and updates for all members.

In Short (From the Editors) –

Welcome to this issue of MEPSA Newsletter from your editors, Marie and Toni!

From Marie Phillips: I hope you find our Newsletter informative, where you can find changes that inevitably come along during the MEPSA show season, which goes from August through May, with the Championship Show in June.

On a personal note, I had nerve burning injection treatments on my neck in Sept, and it should relieve some of the issues with swelling, pain, stiffness, lightheadedness, and unsteadiness that has worsened over the last year, but the recovery time certainly has been longer than expected. Also had an MRI last week, and a Nerve test scheduled for two weeks from now, to find out if I have any nerve impingement. In the long run, I hope it improves my symptoms so I can continue my work here and in other areas of life..

I hope you all will consider submitting origin stories, tales of how the model horse hobby snared you. Enjoy this issue's submission. And as always, Ask Appy is there to answer any hobby related questions! We have an awesome guest columnist so read on if your photo organization skills need a boost!

REMEMBER-Minis have their own monthly Qualifiers!! They are no longer allowed in the regular Div. A/B/C/D shows. All Minis show and qualify in the monthly Mini shows and Mini sections of the Vintage and Foal Specialties, qualifying for the Mini division in the Championship Show. Mini performance will remain with the monthly Div. E/F/I qualifiers. We also expanded the Collectability classes in Div. A.

By now photos should have the correct class numbers, but if you're like me, and have several sets going to Div A and Mini Halter shows, PLEASE check them all before sending entries out! Judges are not required to move your photos to the right classes and they may miss out on qualifying!

Well, enough yammerin' from me

From Toni Rakestraw: Thanks, Marie, for those reminders! In this issue you'll find some fun stuff... what's new from Breyer, news of a new 2025 calendar featuring fabulous pictures of some of your wonderful show horses, contest winners, and new contests to enter! Ever wonder how to organize your photo stable? Read on and find out. As always, we wish all of you the best. Have a Happy Halloween, and have a smooth entry into the holiday season!

From both of us — Enjoy the Newsletter!

DEAR APPY

Dear Appy:
How do I keep my stacks and boxes of show photos organized?
From Confused and buried in photos!

Dear Confused;
Here is a good answer by our guest columnist, Jan Cary.
Hope you and others find it very helpful!

SHOW STABLE ORGANIZATION – What I do

By Janet Cary

Hopefully you haven't withheld participating in the monthly MEPSA shows because your photos are all a mess in a shoebox or drawer, and you don't know how to keep records. Having some organizational skills definitely helps in this hobby. Some people have the skills, and some definitely do not. If you don't, read on and I will show you what seems to

be working well for me. Maybe you can use it as a springboard to come up with your own organizational system which will put mine to shame! And yes, I confess to using a shoebox.

FIG. 1 – Here is my shoebox for photos, but it is not a mess. I have dividers for each MEPSA division I show in – A, B, C, D, G, and H. And not only one divider for each MEPSA division, but three. For example, as you see in the photo, I have *DIV. A – SET #1*, *DIV. A – SET #2*, and *DIV. A – EXTRAS* etc. for each division. When I get my show photos printed I get 4 copies of each: one for Set #1, one for Set #2, and two are extras. I have two sets of photos for each division in case the first set doesn’t come back in time to make it to the next show; I can send the second set instead. As for the extras, those are in case there is a Specialty Show during the month, such as “Vintage” or “Classics.” And of course there’s always the chance a photo will get lost; in that case, I’ve got an extra or two. For my own sanity the photos are kept in alphabetical order. (*I just get my photos done at Walgreens, in case anybody wonders. They usually have a coupon code so you can get prints for 40% or 50% off. So far I’ve been pleased with them.*) The exception to these divider tabs is for Div. C where I show only one horse. I just

have all four photos behind one *Div. C - ALL* divider.

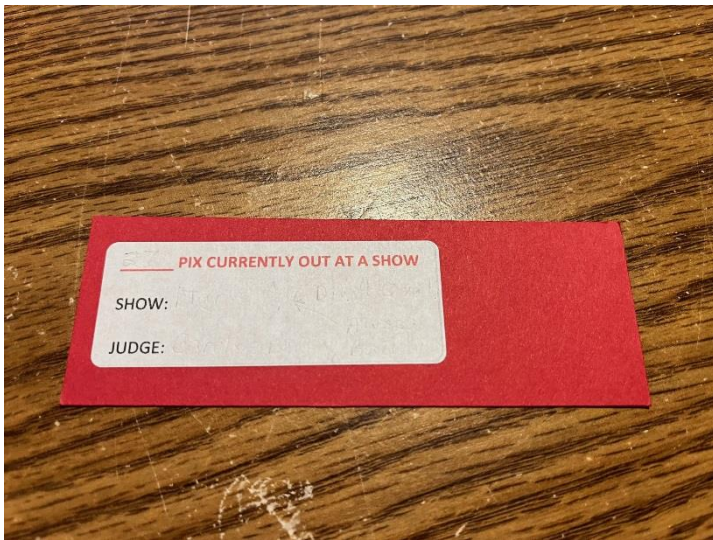

FIG. 2 – This shows one of the red markers I made; I have about ten of them but I’ve never needed them all at once. I use it like a book marker. When I remove a set to send off to a show, I fill in the info on the red marker and stick it in place of the photos

(**Fig. 3**, circled in yellow) – how many photos, what show, and the judge’s name. This is especially handy if my photos are

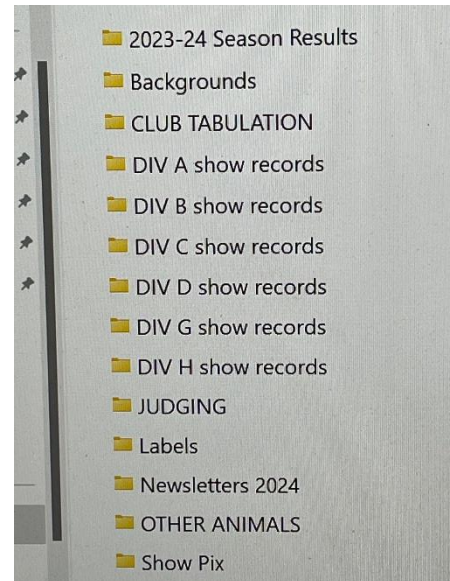

going to be handed off to another judge or two – I just list them all on the one marker

SHOW NAME	JUDGE	DATE SENT	TRACKING (THERE)	TRACKING (RETURN)	RESULTS?	RETURNED?	# PIX

FIG. 4 – I also have an Excel file on my laptop that I call my *Show Tracker*. I have a column for *Show Name*, *Judge*, *Date Sent*, *Tracking Number there*, *Tracking Number back* (which I don’t always receive from my postal worker; depends on who is working there that day, LOL), *Results?* (yes or no; i.e., did I receive results via email yet), *Returned?* (are the pix back yet or still outstanding), and *# of Pix* that I sent to

the show. This tracker has really helped me to know what's outbound, what should be inbound, what results are in, etc. – *as long as I remember to fill it out!* I am still training myself to do this. I incorporated it partway through last year's show season and it is almost habit now. *Almost!*

FIG. 5 – Here is a screenshot of my MEPSA folder on the laptop. I have a folder for results received, and in that folder (not shown) I have sub-folders for each MEPSA division I show in. I save the results until June of the show season in case I need to refer back to them for any reason. I have various other folders that might not apply to you, and then we come to the *Show Records* folders. I have one folder for each of the divisions I show in, and in each folder are Excel files for each model with its name and pertinent info (**Fig. 6**). (So for instance *Div. A Show Records* contains an Excel file for each original finish plastic model I show, etc.)

FIG. 6 – Here is an example of a Div.

A show horse's record. Below the model's name and info you can see that I have rows and columns. The first column is for each class that this particular model shows in, including lines for Champs and Reserves if they are lucky enough to garner that! Then I have columns for each placing, and I put an X in the column each time they win that placing in that particular class. That really helps me keep track of which models are showing well, and which are duds! I might retire the duds partway through the year to save me some postage, or I might examine their photo and retake it if it's not very flattering. I also keep track of the model's Champ Show placings here.

FIG. 7 -- Below all that information I record the model's QUALIFYING placements. This further helps me see at a glance if the model can go to the year-end Champ Show, if it's been nominated for Horse Of The Year, or if I can nominate it myself for Horse Of The Year based on its Champs/Reserves under different judges. This saves me an awful lot of sifting through the show results again. *And there you have it; that's what I do.* Maybe computers or using Excel (or similar) aren't your thing – the same system would be doable on lined notebook paper. That's what I did "back in the day" – when few people owned computers, including me. Of course I wasn't showing in MEPSA then – it wasn't even around then – but it got me used to keeping things organized and in-the-know of who is showing best. Record keeping is one of the things I enjoy most in this hobby!

(A lot of good ideas here! Thank you, Jan! Appy

REMAKE CONTESTS

MEPSA

Makeover Challenge

Deadline: March 1, 2025

MEPSA is holding a customizing contest as a MEPSA benefit. Take a traditional Breyer Morganglanz body and customize it, from a simple repaint to a total remaking of the body. The winner will be decided by popular vote, and everyone is encouraged to enter. This is a great way to get your work shown to a large audience, win a great prize, and help MEPSA.

Contest Rules:

1. Your identity, as maker, should be kept under wraps until the voting is over. Please don't tell anyone which entry is yours. Guessing is part of the fun!
2. All finished models need to have a clear digital or scanned photo of each side, with a model to show scale sent in to MEPSA, Alice A Carpenter aaldridge1334@gmail.com – Alice can take the photographs for you, if needed, when the model is received.
3. All entered models become property of MEPSA to raise funds or use as Championship show awards. This is a MEPSA Benefit contest. Maker must send the finished model to MEPSA upon completion to Alice A Carpenter, PO Box 1334, Petal, MS 39465 at their own expense. There is no other fee to enter.
4. The contest will be publicized on Facebook and in model horse groups. Please help spread the word!
5. Deadline for completing your makeover is March 1, 2025. Voting will take place during March.
6. If you would like to enter and request a Morganglanz body, please contact Alice A Carpenter at aaldridge1334@gmail.com. We have a limited number of bodies available so you may need to supply your own. If you supply your own body, please send me an intent-to-enter-statement at aaldridge1334@gmail.com just so I know how many entries to expect.

NOVICE SHOWS

The MEPSA Novice Photo Show Series provides newcomers with an opportunity to learn how to improve their photo show entries by using direct feedback. Entrants will be given individual private critiques on EVERY photo they enter, thus allowing them to see exactly what they can improve on. Photos will also be judged against one another (just like a regular photo show) and full results will be given to all entrants.

Some rules to remember:

Showers CANNOT enter Novice shows and OPEN shows at the same time. There is a maximum of 2 years allowed in Novice for showers over 16. Age 16 and under, no maximum. Graduating from Novice may occur prior to the maximum allowed time, if the majority of judges recommend moving up to Open. A shower may elect to stay in Novice for the maximum two years. It is recommended that a shower take advantage of the Novice shows and enter as many as possible during the two year time limit.

The Novice Division is designed to help you improve your photography, but the judge can also help you with other details, such as breed assignment, labeling your photo back, etc.

Novice showers may move up to the Open division, which also includes all Specialty shows, at any time. However, if they choose to do this before season's end, they CANNOT enter any further Novice shows and must forfeit all qualifications in the Novice Division for that Season's Novice Division Championship show. Once moved to Open, they cannot show in the Novice Division. All photography must be done by the entrant, no professional photography allowed. All Original Finish Plastic or China (OF), Custom (CM) and Artist Resin (AR) horses welcome.

FEES AND RULES: \$2.00 per show. PLEASE make check/MO out to the judge, not MEPSA!

Entrants may not enter more than 15 photos per show. All photos will be individually critiqued by the photo show judge and entrants will be given constructive criticism on how to improve their entries. Horses that place 1st, 2nd or 3rd in any halter class in this series are eligible for the MEPSA Novice Halter Championship division and, in Performance, any horse placing 1st, 2nd or 3rd are eligible for the Championship Novice Performance division in the class they place in only!! The show format runs alternately, 2 halter, one Performance. (Halter-Aug, Sept, Perf-Oct, Halter-Nov, Dec, Perf-Jan, etc.)

STANDARD PHOTO SIZES ONLY – Show photos should be of uniform size. 4x6 photos are preferred, but 4x5.25 and 3x5 are also allowed. Any other size may be disqualified by the judge.

Entrants may enter one photo per horse in Halter. Enter each horse's photo in one gender class and one breed class. Example: An Arabian Stallion photo would be entered in classes 1, 5, while a Clydesdale gelding would be entered in 3, 8. You do not need separate photos for both sections. Do not send additional photos of other views. Pick the best side, and use that photo.

In Performance, it is one photo per horse per class in classes 13, 14, 18, 19. The remainder may have multiple photos of the horse as long as they are of different disciplines, i.e. Roping and Cutting in Western Stock Class or Arabian and Native American in Costumes. Duplicate photos will be DQ'd.

Sample Photo Backs:

IMPORTANT: NEVER write or put sticky notes on the front of your photos!
All information must be on the BACK of your photos! Never on the Front!!

HOW TO ENTER:

The information needed on your photo back:

Horse's name, breed, gender, color and make/mold information should be printed or written in ink on a label. Do not write directly on photo backs as it will smear and often transfers to other photos in humid conditions. DON'T use a Sharpie or any marker type pen as they can bleed right through the photo.

Class or classes entered – In Halter, this will be two classes, one for gender and one for breed type. In Performance, this will be only one class, and it helps to explain what your horse is doing. (Use pencil on a blank label. Some use scotch tape, but I dislike it as the pencil fades over time and the tape itself can leave sticky spots. Pencil is used so you can erase and remark the class numbers).

Your full name, your street address, city, state, zip code, email address and your five letter entrant ID code (1st two letters of 1st name and first three letters of last name-example: Marie Phillips-maphi). An address label is perfect and preferred for this information, but you may write it in pen on a blank label. Be sure it's readable! Bigger is better.)

Showers should put their photos in a ziplock bag to keep them clean, dry and together. It is not mandatory to do this, but it is good practice to keep your photos safe and should the envelope be damaged, they will get back to the shower.

WHAT TO SEND:

Don't forget your entry fee, and make sure your name and address is on EVERY photo back, be sure your classes are marked on every photo back, and that you have enclosed that very important SASE! What is an SASE? It's an envelope you have addressed to yourself, with that show's judge's address as the return, which is LARGE enough to fit all your photos, critiques, and results if needed, and is PRE-STAMPED with enough postage to mail home your entries, critique and results. You may request email results, but often the critiques are sent with the pix. This is very important, because otherwise, the judge cannot return your photos to you!

You need to put at least the same amount of stamps on the return envelope as it takes to send your package to the judge. A lot of veteran showers will put an extra stamp in their photo bag with their name written on the back of the stamp in ink (just in case). Some even use Priority mail both ways to make it easier for all involved.

Shows will run the third Saturday of every month.

already horse crazy. In fact, my parents let me pick out a Shetland pony at the tender age of 4... I picked her because she stepped on my foot. Obviously she picked me. I played with that appaloosa forever... it didn't matter that it was broken. The next one I remember was a Proud Arabian Mare for Christmas. I was several years older. She was bay and came with a lovely red and white halter. Oh, I loved her so much! After that, they came frequently. A palomino Family Arabian Stallion. The Jumper. The Clydesdale Mare and Foal... with green blankets! The Classic Arabian Family... oh I still love the mare in that trio!

I had an equally horse crazy friend who collected faster than me. We would make pastures for them out in the sandbox, constantly moving around the bits of wood and greenery we found to make trees and bushes.

Then I discovered The Model Horse Shower's Journal. I don't remember how. But I somehow got a subscription and learned that people PAINTED their models! So, my Quarter Horse stallion went from palomino to black and white pinto named Ra-Sun. My bay Shetland pony turned into an appaloosa. And there were shows! I took absolutely horrible pictures of my horses out in the backyard with my Instamatic camera and sent them to a show or two. I even held a show. OMG. I judged my first show at the tender age of 11! I didn't have money for prizes, so I made very childish ribbons out of construction paper. I hope the people who sent me their photos understood.

As I grew older, and we moved several times, my horses ended up spending more time in a giant box than out. And when my parents moved to Alaska while I was in high school, they disappeared altogether. Don't know where they went, but after marrying, having kids, and moving to Oregon, two of them showed up in my parents' shop. It was a big building in the backyard where all the junk ended up. They'd been nibbled on a bit by some curious mice, but I was so happy to have them! A few years after that, I found the amazing works of art that were being made by customizing model horses. I dreamed of doing that someday, but didn't know where to start. Then a few years ago, I decided to jump in. I started getting bodies and played with earth pigments. Then I added acrylics. And this year I'm taking classes in oils. I have a long way to go, but I'm happy with what I've achieved so far. I went to my first live show in 2019 at BreyerWest. I did the novice class because I'd never done it before, and actually got Reserve Grand Champion. I was flummoxed. My tiny little stablemate I'd painted had won me a giant Traditional model. In early 2020, right before the pandemic, I judged my first live show. I got to do the Minis. My back hurt at the end of the day, let me tell you! I don't find a lot of live shows near me anymore, but I'm happy judging for MEPSA. Maybe one day I'll take some pictures and show, too!
